

## **Kokatha Aboriginal Corporation RNTBC ICN 8093**

### **BUSINESS DEVELOPMENT MANAGER**

The Kokatha People are the Traditional Owners of a large section of the land in the north of South Australia from Lake Torrens in the East to the Gawler Ranges in the West. The Native Title area includes the regional service centres of Woomera, Roxby Downs and Andamooka. Kokatha have various business interests in the region including pastoralism, mining and training and development.

Responsible to the General Manager, the Business Development Manager will be responsible for business and governance administration, infrastructure management, community and stakeholder liaison and staff supervision. The position will also work closely with the General Manager to attract and assess business opportunities.

#### **Applicant Requirements**

This role requires a values based individual with a desire to deliver best practice outcomes with skills and personal attributes including:

- Confident and dynamic character with proven experience working with Aboriginal people
- Ability to work with integrity, respect and professionalism.
- Ability to establish business and maintain community networks.
- Excellent communication and time management skills
- Experience in business development and commercial management principals.
- Proven management ability with a management style conducive to the KAC environment.
- A high level of written and verbal communication skills and comprehension.
- A commitment to long term sustainable business investment.
- Proficiency with computer office and project management programs.

In return for your service you will be part of an organisation that is open to you helping shape the future, developing training and employment opportunity, advancing social and economic wellbeing and community cohesion. An attractive salary package is negotiable.

This is initially a two-year contract following a probationary period with the opportunity to build the role into a full-time position.
